

St Breward Parish Council

Footpath Paring Schedule 2015

Tenders are invited for the maintenance of the Public Footpaths in St Breward Parish from suitably qualified contractors.

Persons wishing to tender for this work must have the required insurance, and be prepared to wear protective clothing where necessary.

Users of chain saws must have the appropriate operating certificate.

A suggested width for a footpath is 1.5 metres with a height of 2 metres.

Single cuts should be typically undertaken in June.

2 Cuts: First cut should typically be undertaken between May & July and the second cut between August & September.

3 cuts: These are to be undertaken at a time agreed by the contractor and the Parish Council.

These dates are subject to alteration as a result of annual variance in seasonal weather conditions.

The Parish Council will liaise with the contractor in respect of the timing of the work

Items in red are additional to Cornwall Council's Schedule

Please submit two separate tenders, one for the total cost and one for the work shown in red type
