

**St Breward Parish Council** often needs small jobs to be carried out, sometimes at very short notice, where the tender process would take too long and the cost of advertising the tender for the job would not be cost effective. For safety, this may require the work to be carried out very quickly.

The range of jobs may include:

- a. Grass cutting, strimming, weeding or hedge trimming
- b. Maintenance of wooden street furniture (eg staining/repairing notice boards/seats)
- c. Play Area maintenance
- d. Public Conveniences at Row, (possible electrical, plumbing, building or carpentry skills)
- e. Other 'odd jobs'

Please reply to the Clerk to the Parish Council by **Friday 27<sup>th</sup> February** for inclusion on the list of preferred contractors and provide your insurance cover and state if there is any call out charge.

The Preferred Contractors List will be reviewed following the AGM of the Parish Council in May 2016.

Anita Cornelius  
Clerk to  
St Breward Parish Council  
Hantergantick Farm  
St Breward PL30 4NH
