

## New homes in Chyryn Drive

St Breward Parish Council has received the following update from Cornwall Council on the new homes being built in Chyryn Drive.

Completion date is estimated as being April although this is very much reliant on the weather. All the homes will be classed as 'Affordable'; 11 for rental, 10 for Shared Ownership. In the New Year there will be a 'Drop In' Session in order that residents interested in renting or purchasing these homes can ensure that their details and requirements are up to date. The date and venue for this will be advertised locally

Residents looking to qualify for rented units should do so at the following address (anyone already registered should ensure that their information with HomeChoice is as up to date as possible)

- b) being formerly permanently resident therein for a continuous period of five (5) years; or
- c) having his or her place of permanent work (normally regarded as 16 hours or more a week and not including seasonal employment) therein for a continuous period of at least three (3) years immediately prior to Advertising; or
- d) having a connection through a close family member (normally mother, father, brother, sister, son or daughter) where the family member is currently resident therein and has been so for a continuous period of at least five (5) years immediately prior to Advertising
