

School governors wanted!

Are you looking for a way to give back to your community? St Breward Primary School currently has vacancies for co-opted governors, and would love to hear from anyone with a little time to spare and an interest in ensuring our local school children reach their full potential. Local governors are not involved with the operational running of a school, but help to ensure a clarity of vision as well as monitoring educational outcomes and financial performance.

Governors should be committed to working as part of a team and attending meetings, and have the confidence to speak up to challenge and support school leaders. Experience of governance or education is welcome but not necessary, and training will be provided. If you would like to find out more about the role, please contact jbrown@nclt.academy and you will be sent more detailed information about the role and how to apply.

Thank you!
