

ST BREWARD COMMUNITY SHOP LIMITED

OWNED AND RUN BY YOU, FOR YOU

March 2024 Newsletter

The current view from inside the proposed staff door

Comms help needed – we need a volunteer to help with our comms & marketing, for example monthly newsletters, website content & social media. Please get in touch (details below) or contact Debbie to discuss the role at publicity.stbcomm.shop@gmail.com

Share Offer – coming soon! Thank you to Andy Thatcher for all your wonderful help with production (and soon, printing)! Watch this space for further updates...

Premises – thank you to Rob & Wayne Davey (builders) and Ed Dyer (electrician) who are kindly helping with the costings for adaptation of the premises. Once we're ready to go and to help keep costs down, we'll ask the community and other 'tradies' who can help and where, so fingers crossed!

The current view from inside the proposed customer entrance

This help with costs has confirmed that our initial hope to widen the existing pedestrian doorway is not cost-effective, as we would also need to add a ramp/slope outside and move the stairs inside to give more room. So, we now plan to include a doorway within the 'false shop front' (the green bit below) and the existing doorway will be the staff entrance.

So, below is a sneak peak of the proposed shop layout. We've also included some pictures above to help give you a feel of how the layout will work.

Debbie Honey, Publicity

Proposed shop layout: This shows the entrance to the left, and the back of the shop to the right. The exact layout will depend on Council approval and how it all looks and feels when in place.
